Year 10 Weekly Bulletin

Message from Head of Year

We have made it to the last week before the Easter holidays. Despite only being back in school a couple of weeks you have all settled back into the daily school routine well. You have now been given your at home testing kits to carry out COVID testing. If you require a kit please just see Mr Johnson.

Over the course of this last week please continue to follow the COVID guidelines and keep uniform standards high.

Have a great week and enjoy the Easter holidays when they arrive!

Miss Webb

Literacy challenge

There are many words in the English language which have all letters in alphabetical order. Some of these words are as given below

Almost
Abhors
Accent
Access

How many word are you able to think of? Class Charts points will be awarded for the student that thinks of the most.

Numeracy challenge

A train that is 100 metres long is travelling at a constant speed. It takes 30 seconds to clear a bridge which is 400 metres long.

What speed is the train travelling at, in kilometres per hour?

Quote of the week:

“The most important thing is to enjoy your life - to be happy - it’s all that matters.”
