Year 11 Weekly Bulletin

Numeracy challenge

Can you add up the ages of all the students in your form class, and take away the number of days left until Easter? Pass on your answers to your form tutor.

Weekly challenge

This week your challenge is to complete a suggestion to make things better for yourself and others within year 11. Suggestion forms will be passed to Mrs Bibby through your form tutor.

Message from Head of Year

Well done guys for this week. You have been working hard in lessons. One week to go before our 2 week Easter Break. Leavers hoodies are available now to purchase and the option to buy is on parent pay. Free Snack Monday is back. If you had 100% attendance last week and no negative incident sheets, head over to the Bistro at break on monday.

Mrs Bibby

Act of Kindness

Over the Easter break can you think of something that you can do to make someone smile?
