## Message from Head of Year

This is the final week of the spring term. I know it seems like we have only been back in school for 2 minutes, but we have achieved so much in that little time. You have dealt with the change and the new regime well. I am looking forward to us all being back after the school holidays and settling in to a routine and being able to make progress. We have one week of quality school work to go. Let us ensure we try our very best in our lessons, the Easter holidays will be that bit more refreshing knowing that you have tried your best until the very end and the progress we have made during lockdown was not in vain. Enjoy your holiday and I look forward to welcoming you all back in April,  
Mr Anderson

## Literacy challenge

There are many words in the English language which have all letters in alphabetical order. Some of these words are as given below

Almost  
Abhors  
Accent  
Access

How many words are you able to think of? Class Charts points will be awarded for the student that thinks of the most - give your answers to your form tutor by the end of the week.

## Numeracy challenge

A train that is 100 metres long is travelling at a constant speed. It takes 30 seconds to clear a bridge which is 400 metres long.

What speed is the train travelling at, in kilometres per hour?

## Quote of the week:

"Try not to become a man of success. Rather become a man of value."
